## Learning through High Adventure

The Illawarra Fly Treetop Walk is one of Australia's premier rainforest experiences. An innovative way to explore and learn about the rainforest of the Illawarra, located in the Southern Highlands of NSW the Illawarra Fly is privately owned.

The Illawarra Fly Treetop Walk allows students to experience the rainforest in comfort and safety, from different perspectives.

More than 1,000 metres of ground based walking tracks allow students to investigate the rainforest at ground level. The 500 metre long elevated walkway rises to 25 metres above the forest floor into the canopy of the rainforest offering students the chance to explore the rainforest canopy.

The treetop walks' spiral tower rises 45 metres above the forest floor providing a birds eye view of the rainforest and spectacular scenery over the valley below to the coastline.

The visitor centre is a perfect place to regroup after the walk and complete worksheets whilst enjoying lunch!

Please allow 1 hour on your itinerary for the Illawarra Fly Treetop Walk experience. 1.5 hours if a guided tour is included.

A Risk Assessment is available upon request. If you have any further questions please don't hesitate to us on ph 02 4885 1010 or email [info@illawarrafly.com](mailto:info@illawarrafly.com).
