

Social Group Benefits

2011-2012

The award winning Illawarra Fly Treetop walk is one of Australia's premier rainforest experiences.

Located within a 2 hour drive from Sydney or Canberra and only 30-40 minutes from the Illawarra, South Coast and Southern Highlands regions the **Illawarra Fly Treetop walk is a unique and enjoyable activity for coach and specialty groups and suitable for all levels of fitness and mobility.**

This unique experience captures the beauty of the native flora and fauna of the temperate rainforest and treetop walkway from a perspective generally saved for our flying friends. The 1,500 metre walk is set atop of the Illawarra escarpment on Knights Hill.

It features a 500m long, 20-30 metre high elevated walkway with two cantilevered arms that take visitors to the edge of the forest fall line and offers inspiring views over Lake Illawarra and the Tasman Sea. Spectacular scenery is also experienced from the crest of the walkway's spiralling tower, 45 metres above the forest floor 700 metres above sea level.

The walkway is **accessible to all levels of fitness** and our motorised courtesy cart is available to assist the "not so fit" up and down the hill. If you can walk 500 metres on a flat surface you can enjoy the treetop walk. The walkway is wheelchair accessible and suitable for walking frames.

Once your feet are firmly on the ground, we can tantalise your taste buds with our inspiring menu at our fully licensed Café

106 or choose from one of our group packages for a memorable experience at the Illawarra Fly.
